Purpose: Leaders of HPE in education sectors, universities, professional organisations and schools are critical to the successful implementation of the Australian Curriculum: HPE. This forum brings together leaders of the field to discuss, clarify and strategise on the nature of our implementation support.

Day 1: Thursday 6th June (10am-5:30pm)

- Registration
- Welcome, purpose and outcomes: Prof Doune Macdonald
- ACARA Update—Consultation feedback on the Draft HPE Curriculum
- How do educational authorities see the Australian curriculum?
  Prof Bob Lingard (President, Australian College of Educators)
- Hot issues and implications for implementation:
  ⇒ The relationship between physical activity and enhanced academic outcomes
  ⇒ The place of Outdoor Education and nutrition in the Australian curriculum
- What will schools need from us?

Day 2: Friday 7th June (8:30am-3:30pm)

- How have other learning areas managed implementation – the case of Mathematics:
  Prof Merrilyn Goos (President, Mathematics Education Research Group of Australasia)
- Hot issues and implications for implementation:
  ⇒ Critical inquiry approach
  ⇒ The place of sport in the Australian curriculum
- Implementation support strategies
- Close
